The Honor Flight Network

Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. We transport our heroes to Washington, D.C. to visit and reflect at **their** memorials. Top priority is given to the senior veterans – World War II survivors, along with those other veterans who may be terminally ill.

Of all of the wars in recent memory, it was World War II that truly threatened our very existence as a nation—and as a culturally diverse, free society. Now, with over one thousand World War II veterans dying each day, our time to express our thanks to these brave men and women is running out.

Time is of the Essence.

Based on recent 2008 statistics, we are losing World War II veterans at the rate of approximately 1,000 per day. Honor Flight Network will continue do whatever it takes to fulfill the dreams of our veterans and help our senior heroes travel absolutely free.

Subsequent to the World War II veterans, our efforts will then focus on our Korean War and then Vietnam War veterans, honoring them similarly.

"We can't all be heroes. Some of us have to stand on the curb and clap as they go by."

Will Rogers
