When the tragedy of 9/11 occurred, Screen Works was there to help. Screen Works, with the help of hundreds of volunteers, raised \$1 Million for the American Red Cross National Disaster Relief Fund to aid in America's recovery.

Now, the people of Haiti need our help and support. The news media has stated it will take billions of dollars to rebuild Haiti. The print industry is networking around the WORLD as we speak to help aid Haiti, with the goal of raising \$1 Billion. We believe this goal can be met by pulling together, as we did for 9/11.

UnitedWeStandforAmerica.org has partnered with Mark Coudray and TShirtSuccess.com in California to help organize [www.HaitiReliefShirtProject.com](http://www.HaitiReliefShirtProject.com) which unites and benefits American Screen Printers in their own communities while they generously give aid to the citizens of Haiti. NOW, this has become a WORLD printing project that has ballooned across the GLOBE to other countries.

### WE NEED YOUR HELP!

United We Stand For America, a division of Screen Works Inc. in Dayton, Ohio, challenges all Americans to get involved like we did for 9/11. Our efforts will show the world how strong the American spirit is!

The body of Christ is uniting to raise funds and send relief to the millions of Haitians who have suffered unimaginable loss due to the recent earthquake.
